Dear Parents / Caregivers,

At Redwood Park OSHC and VAC we are continually looking to improve our practises, communication with families and documentation of children's learning. We would like to enhance this documentation of learning by offering the 'Seesaw' app to provide photos and information about your child's learning to your mobile or tablet devices. Feedback from previous Redwood Park OSHC and Preschool Parents and our experiences using Seesaw has shown that it is a fast and authentic way to share learning with you.

The seesaw app will allow your child to share photos and videos of any aspect of their learning. If they make something creative, paint a picture or engage in fabulous learning through play and eagerly want to show you, we can take a photo and quickly upload and send it directly to your chosen device. If your child is participating in a group learning activity, we can take a photo and quickly send it to all the parents of the children in that photo.

If you agree to the conditions of using Seesaw, information will be sent home on how to download the Seesaw parent app and scan your child's individual QR code. You will then be ready to receive photos/videos of learning and OSHC and VAC reminders of upcoming events. Please be mindful that you will not receive photo/videos or updates everyday your child attends OSHC or VAC.

Please note the Redwood Park OSHC and VAC conditions for using Seesaw:

- I consent to receiving photos, videos and information about my child to my selected mobile device through the Seesaw app.
- I consent to my child's image being shared with other families through the Seesaw app in the form of group photos.
- I will not share any images I receive of other children.
- I understand that I will not receive photos/videos/documentation everyday my child attends OSHC or VAC.
- I will discuss any issues or concerns regarding Seesaw with Redwood Park OSHC and VAC staff.

If you agree with the above conditions, please fill in the slip below and return to OSHC by Friday 2<sup>nd</sup> March (week 5). Please note if the attached slip is not returned your child will no longer be included in our documentation of children's learning.

Kind Regards,

Ian Dickie, Kelly Lyons and Ann Partington

I agree to participate in the Seesaw App at Redwood Park OSHC and VAC and to the conditions outlined.
